

CONFERENCE COMMITTEE REPORT DIGEST FOR ESB 176

Citations Affected: IC 20-28; IC 30-34.

Synopsis: Teacher training. Conference committee report for ESB 176. Requires an applicant for an initial teaching license to be trained and certified in the use of an automated external defibrillator. Requires, after June 30, 2012, an applicant for the renewal of a teaching license to complete training and obtain certification in cardiopulmonary resuscitation, removing a foreign body causing an obstruction in an airway, the Heimlich maneuver, and the use of an automated external defibrillator. Provides that a school nurse, teacher, or other employee of a school is not liable for damages for providing emergency assistance to another person in the course of the nurse's or employee's employment unless the act or omission constitutes gross negligence or willful and wanton misconduct. **(This conference committee report removes a requirement that the department of education require teacher education schools to not allow instruction that is contrary to the mandatory curriculum for students.)**

Effective: July 1, 2011.

CONFERENCE COMMITTEE REPORT

MADAM PRESIDENT:

Your Conference Committee appointed to confer with a like committee from the House upon Engrossed House Amendments to Engrossed Senate Bill No. 176 respectfully reports that said two committees have conferred and agreed as follows to wit:

that the Senate recede from its dissent from all House amendments and that the Senate now concur in all House amendments to the bill and that the bill be further amended as follows:

- 1 Page 1, line 11, delete "The department must require that a teacher".
- 2 Page 1, delete lines 12 through 13.
